Jonathan Creek Precinct  
Location Change

Jonathan Creek Precinct is being moved to a more spacious location – the Jonathan Creek Christian Church Fellowship Hall.

Moultrie County Clerk Georgia England states that the Jonathan Creek Township Shed has been used for Elections for many years, and wishes to thank the Jonathan Creek Township for their past courtesies.

England also wishes to thank Pastor Tim Henderson and the Congregation for allowing the use of the Church Fellowship Hall as a polling place for future elections. The move to the new location will be effective with the upcoming Consolidated Election on April 4, 2017.

Voters in Jonathan Creek Precinct will receive new Voter Registration cards reflecting the location change the week of January 23, 2017.

The Jonathan Creek Christian Church Fellowship Hall is located on the Cadwell Road approximately 3 miles south of the former location.
